

## Physical Therapist Position in Avon

Please email [Carrie@altiuspt.com](mailto:Carrie@altiuspt.com) for questions or to apply

**Position Details:** This position maintains a variable caseload determined by you and your specific needs. This is perfect for you if you seek a flexible schedule, value quality relationships with patients, desire to work in a supportive community of wellness professionals, and are motivated to build a caseload based on your own expertise and/or have strong existing relationships with clients in the community.

Formal or informal mentorship by board-certified and fellowship-trained practitioners is encouraged and available, should you desire this.

There may be an option to include additional administrative tasks if you like to limit your patient care hours, although NOT required.

This position has an empowering team of leaders whose goal is to support you in your growth as an individual and professional. We prioritize time with our patients, giving you one hour for all sessions, or as much time as you need. We highly value autonomy as practitioners, continuing education, and support each other in having a strong work/life balance.

**About us-** We are a small locally-owned private practice with clinics in Avon and Eagle, CO. (The available position is in the Avon clinic.) We are a dynamic group of physical therapists and Pilates/ yoga instructors, with a wide breadth of expertise and certifications. We share our beautiful space with lots of light with a wonderful local Pilates business. We see a wide variety of both orthopedic, neurologic, pediatric, and women's health clients. We have strong relationships with our patients and take pride in our role as primary health and wellness advocates and allies for them.
